ATTACHMENT

On January 19, 2020, at approximately 12:15 a.m., Border Patrol Agents assigned to the Rio Grande City Station responded to a drawbridge camera activation.

At approximately 11:58 p.m., a Drawbridge camera system activation was received showing a Dodge Durango driving south on a dirt road that leads to the Rio Grande River south of the El Chaparral neighborhood. This Drawbridge is approximately .25 miles north of the Rio Grande River. This is a well-known area for narcotics smuggling. This is a rural area with no houses or other structures in the vicinity.

At approximately 12:00 a.m., the same Drawbridge camera activated showing the same vehicle going back north. Border Patrol Agents responded to the area. As the Agents approached the intersection of El Chaparral Street and HWY 83, they observed a Dodge Durango matching the description from the Drawbridge activation turning into a closed business located just south of the Taqueria El Chaparral. As one Agent approached the vehicle, the driver exited and attempted to run. The Agent immediately exited his marked vehicle and could see in plain view bundles of possible narcotics wrapped in brown tape in the back of the Durango. The Agent identified himself as a Border Patrol Agent and placed the subject, later identified as GARZA, Roxanne _____, into custody within 20 feet of the vehicle.

Once at the station, the narcotics were tested resulting in positive results for marijuana. A total of (57) fifty seven bundles of marijuana were seized from the Dodge Durango having a total weight of approximately 293.05 kilograms.

On this same date, DEA Task Force Officers Cosme A. Muniz III and Ricky Garza along with Special Agent Aaron Turner arrived at the Rio Grande City Border Patrol Station. Agents identified themselves and read GARZA her Miranda Rights. GARZA waived her rights and agreed to speak to Agents. GARZA stated that she was contacted by a friend named Leonel and was asked if she wanted to help him by working moving some marijuana. GARZA told him no at first, but was then told that Leonel would pay her \$2,500 for moving the marijuana. GARZA stated she then agreed to work for

Leonel. GARZA was then provided a key to a Dodge Durango which she had to go pick up. GARZA stated she drove to the area of Hospital Road in Rio Grande City at an apartment complex and picked up the Dodge Durango. GARZA stated she then drove to an area known as El Chaparral Restaurant and drove south towards the Rio Grande River. GARZA stated as she drove south on a dirt road, several male individuals dressed in camouflage clothing stopped her and told her to turn off the lights. The male individuals started to load the Dodge Durango with bundles of marijuana. GARZA stated once they finished load the vehicle, she drove north. GARZA stated as she reached U.S. Expressway 83, she observed Border Patrol units, so GARZA turned into the Chaparral restaurant parking lot. GARZA stated that Border Patrol units drove up to the Dodge Durango so she exited the Durango and attempted to run but was apprehended by Border Patrol Agents.
